Mindset for consistent profits - BO Turbo Trader

watch the corresponding video here

Consistent Profit

Practice on Demo Account

- + less than 10 000\$ on demo balance
- + bet size below 1 \$ and more
- + less number of trades
- + less times on demo average

Win Rate or Win Ratio

- +trades only that what he set up in his rules
- + he trades as less as possible and leaves the market
- +doesn't change anymore his trading style or strategy
- +takes completely the responsibility
- +don't need confirmation from no one and don't listen to no one
- +doesn't believe anyone or tries nothing without any proof
- + good win rate for his strategy or trading style or money management

Discipline

- +high discipline because lost lot of money
- +enters at the right time because of skill
- +cares about market condition 50% of the win
- +cares about news releases
- +cares about payout percentage
- +cares about bet size
- +strict money management
- +cares about quantity as less as possible
- +cares a lot of the quality trades
- +avoid a lot of trades which are not good
- +is not affected by emotions - cause he knows win ratio
- +takes responsibility
- +has no fear
- +don't does multiple bets
- + bet and then calm down do another
- + does avoid trading emotionally

Money Management

- +knows when to stop exactly
- +knows exactly the bet size
- +to get as fast as necessary to his goal
- + don't be affected by emotions
- + great discipline
- + great skill
- + great win rate

Emotions

good win rate, good skill good and strict money management , good discipline

EMOTIONS

RESULT: CONFIDENCE
OVERCOMES EMOTIONS

Mindset: How to trade binary options for consistent profit & returns (Practice) the right way - BO Turbo Trader

↖ watch the corresponding video here

LOW SKILL

Newbie Trader

- + More than 100 000 \$ on demo balance
- + bet size above 100 \$ and more
- + a lot of trades
- + trades on demo all the day

MEDIUM SKILL

Average Trader

- + less than 100 000\$ on demo balance
- + bet size below 100 \$ and more
- + medium number of trades
- + trades on demo average

HIGH SKILL

Pro Trader

- + less than 10 000\$ on demo balance
- + bet size below 1 \$ and more
- + less number of trades
- + less times on demo average

Practice

Mindset: How to trade binary options for consistent profit & returns (Win Rate) the right way - BO Turbo Trader

watch the corresponding video here
HIGH WIN RATE

LOW WIN RATE

Newbie Trader

- +trades every signal and strategy
- +trades too much
- +changes often his indicators
- +doesn't care win ratio
- +doesn't take responsibility
- +blames everyone else not himself
- +need confirmation from others
- +believe everyone and tries everything

MEDIUM WIN RATE

Average Trader

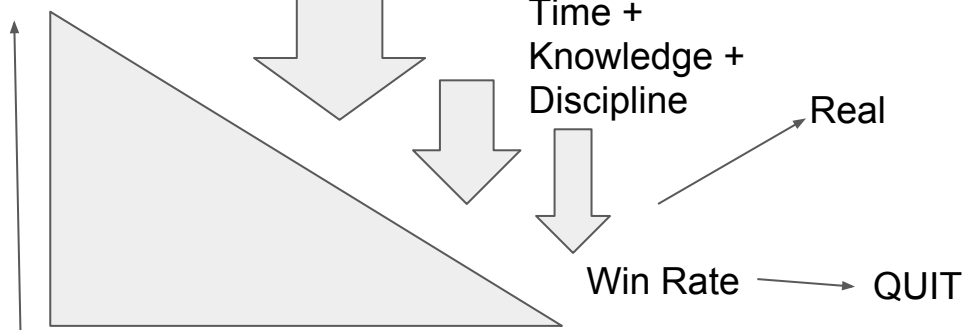

- +only moderate signals
- +he changes only a bit his strategy or trading style
- +change his indicator only few
- +takes responsibility not completely
- +need more confirmation build some kind of confidence
- +don't anymore blame everyone and doesn't try everything - what sounds logic
- +he cares win rate - has no idea how to increase

Pro Trader

- +trades only that what he set up in his rules
- +he trades as less as possible and leaves the market
- +does not change anymore his trading style or strategy
- +takes completely the responsibility
- +don't need confirmation from nobody and doesn't listen to nobody
- +does not believe anyone or tries nothing without any proof
- + good win rate for his strategy or trading style or money management

Practice

watch the corresponding video here

LOW DISCIPLINE

Newbie Trader

- +low discipline because nothing loose and demo
- +enter to early into trades, because of reckless
- +wanna be rich or millionaire
- +doesn't care market condition
- +doesn't care about news releases
- +doesn't care payout percentage
- +doesn't care bet size
- +no money management
- +doesn't care quantity of trades
- +doesn't care quality of trades
- +not affected by emotions
- +they have no fear of a trade
- +spider trading - multiple bets

MEDIUM DISCIPLINE

Average Trader

- +medium discipline because he already lost money
- +don't enters anymore so often early but he enters sometimes more often lately
 - +care more or less about market condition
- +care more or less about news releases
- +care more less about payout percentage
- +care about the bet size
- +has some kind of money management
- +care about quantity of trades
- +care more or less about quality of trades
- +affected by emotions which leads sometimes to irrational behavior
- +has some fear of trade
- +do not more so often multiple bets

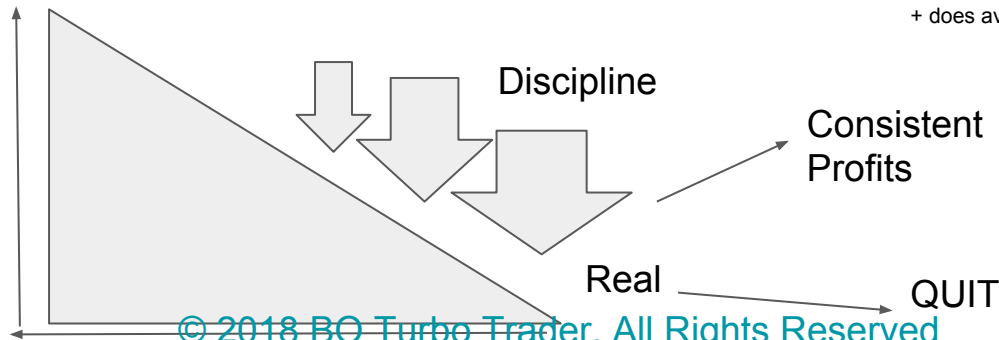

HIGH DISCIPLINE

Pro Trader

- +high discipline because lost lot of money
- +enters at the right time because of skill
- +cares about market condition 50% of the win
- +cares about news releases
- +cares about payout percentage
- +cares about bet size
- +strict money management
- +cares about quantity as less as possible
- +cares a lot of the quality trades
- +avoid a lot of trades which are not good
- +is not affected by emotions - cause he knows win ratio
- +takes responsibility
- +has no fear
- +don't does multiple bets
- +bet and then calm down do another
- +does avoid trading emotionally

Practice

Mindset: How to trade binary options for consistent profit & returns (Money Management) - BO Turbo Trader

NO or LOOSE MM

Newbie Trader

- +No or loose MM because of bad win rate
- +win rate = discipline + skill
- +mm = win rate + discipline

MEDIUM STRICT MM

Average Trader

- +amount of trades - don't know when to stop
- +bet size - don't know how much to bet
- +balance - don't care to blow his account when under affect emotions
- + not the best win rate
- + not the skills
- +not the discipline

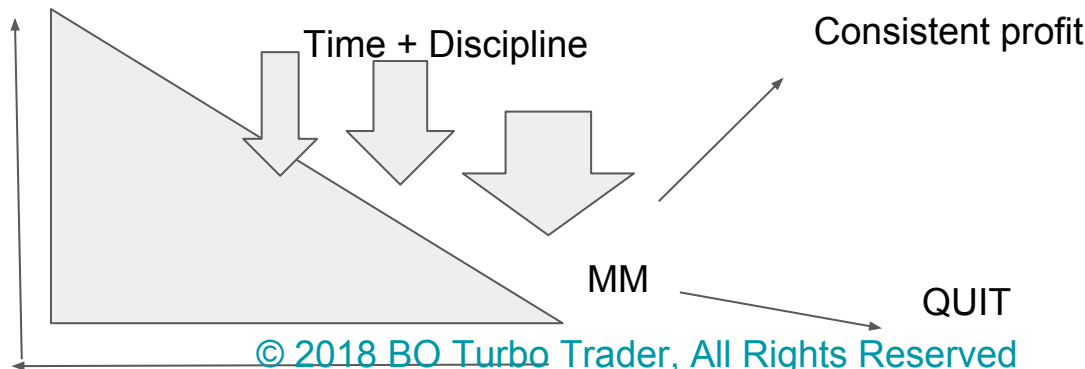

HIGH STRICT MM

Pro Trader

- +knows when to stop exactly
- +knows exactly the bet size
- +to get as fast as necessary to his goal
- + don't be affected by emotions
- + great discipline
- + great skill
- + great win rate

EPILOGUE

I would like to say a very big thank you for buying this ebook, am glad you made it here, because the information contained inside is all you need, especially as a binary option turbo trader to get profit out of the market, to get out of debt, make yourself a living or help your friends and family.

There is a reason why i choose to make this ebook and the youtube videos, i have seen so many trader struggling and doing wrong trades only because of not understand the basics about price action.

If you like this ebook and you decide to write me something, do not forget to like my videos on youtube, comment below those and if you want to contact me - you will find contact details below. Thanks, stay safe and keep itm.
